ACTION ITEM: DISCUSSION OF LEVEE INSPECTION WITH THE CORPS OF ENGINEERS

Bryan Dilworth presented a report on his August 19, 2026, inspection of Broadford, Bible Camp, Star Bridge and Zinc Spur levees with the Corps of Engineers. Gauge and Deer Creek not visited.

Broadford Levee: Noted that crown is at twelve feet. Erosion is causing rocks to slide downhill which makes the slope appear steeper. Commissioners discuss a joint site inspection to be scheduled for assessment. Removal of trees may be required.

Bible Camp: Noted access is the challenge, twelve down trees, however, should be easy to fix.

Star Bridge: Corps approves status.

Zinc Spur: Corps asked about raising. Bryan Dilworth discussed the history of water level with the Corps which met with their approval. Further noted that chairs, a trailer on jacks and firewood have been placed on levee.

ACTION ITEM: Policy Manual

The matter was tabled.

ACTION ITEM: Change Official Location of Office.

Bryan Dilworth presented that the official location of the Flood Control District 9 office needs to be changed.

ACTION ITEM: Publication of Mid Valley Commissioner Vacancy

The Commissioners directed that publication should be made for 2 weeks seeking fulfillment of the mid valley District Commissioner vacancy.

DISCUSSION ITEMS:

- Bryan Dilworth presented the statute requiring the District have a seal. Inquiry to be made.
- Bryan Dilworth presented that Commissioners should track mileage for District business and to be reimbursed at the rate of \$.73 per mile.
- Discussion was held to establish the priority of levee repairs and improvements on all District levees. Bryan Dilworth will make an application for possible Blaine County permits for necessary repairs.

PUBLIC COMMENT: None.
